WORK EXPERIENCE

◆ Web Development Intern

SkillCraft Technology – Remote

 June 15, 2025 – July 15, 2025

Designed and developed responsive web pages using HTML, CSS, JavaScript, and React. Collaborated on real-time projects to improve UI/UX of existing applications. Gained hands-on experience with web hosting, deployment, and version control (GitHub). Worked closely with mentors to understand industry-standard development practice.

◆ Frontend Web Developer Intern

CodTech IT Solutions Pvt. Ltd., Hyderabad – Online

 July 5, 2025 – August 5, 2025

Created and maintained front-end components using React.js, Tailwind CSS, and JavaScript. Participated in team meetings and provided weekly progress updates. Improved website performance and responsiveness based on mentor feedback. Strengthened skills in debugging, collaboration, and writing clean, maintainable code.

PROJECTS

➤ Interactive Quiz Application [Link](#)

Built a responsive quiz app using **HTML, CSS, and JavaScript** during CODTECH Internship. Added features like **dynamic question loading, instant feedback, and score tracking**. Designed with a clean UI and customizable structure for better user experience.

➤ Personal Portfolio Webpage [Link](#)

Crafted a responsive, single-page personal portfolio using **HTML5** and **CSS3**, demonstrating strong front-end development skills. Designed a clean, minimalist UI with **smooth scrolling navigation** and full **mobile responsiveness**. Structured the site to efficiently showcase developer profile, project highlights, and contact information, enhancing professional presentation.

➤ Interactive Tic-Tac-Toe Web App [Link](#)

Developed a dynamic Tic-Tac-Toe game with both **Player vs Player (PvP)** and **Player vs AI (PvE)** modes using **HTML, CSS, and vanilla JavaScript**.

CERTIFICATES
